

ARMAGEDDON:

Cosmic Battle of the Ages?

Literal or figurative? Coming soon or a long way off? Do the United States and Iraq have roles to play? What about Russia and Israel?

Will the earth's armies be massacred on the plain of Megiddo? What can you be sure of?

Plan now to invite your friends and neighbors to join you for Pastor Lonnie Melashenko's message on Armageddon, the opening night of his prophecy seminar.

*Sunday, April 27
7:15 p.m.*
